ED lounge and bathroom code 5051#

Sick, PTO, and Emergencies

If you need to take a sick day, PTO, and other emergencies, please contact our program coordinator via doc halo/email (doc halo faster), and please inform your attending that you are sick or have other emergencies. If it happens during our clinic days, then you need to also inform Eileen Robles (office coordinator), Dr. Kim and Dr. Ruelan so that they are aware and can reschedule your patients.
