

# Peds Inpatient Expectation

- You will receive an email from valley children for the on-boarding package. Part of this package, you need to have also go to our employee health to get mask fitting because VCH using a different mask than the one we have at SAMC.
- On your first day, you will meet at the GME office. To get to GME office, go through the main entrance and turn left at the security desk. The GME office will be on your right side. (you can also ask the security and he/she will direct you). First day will start at 8am for orientation then they will drop you off to the inpatient team you are assigned to.
- In general your shift is from 6.30AM to 5PM. Sign out start at 6.30 in Nielsen room but you may want to consider to come earlier if you need longer time to see for your patients since you likely will be getting new patients everyday from the night admission.
- Each morning your senior will assign your patients. Your senior will contact the attending regarding the time of rounding but usually starting between 8.30 to 9AM.
- They are rounding using family centered round and presenting using system based not problem based. Everything will be explained during your rotation
- There will also be a morning report T/W/Th from 7.30 to 8AM
- They provide burrito breakfast that you can get from the GME lounge
- Didactic protected time at VCH is on Wednesday at noon. Lunch also provided
- To see your schedule can go to [amion.com](https://amion.com) --> secure login --> Pass: VCMG@9300 res
